Health Policy and Academic Profile

Final-year Specialty Registrar (ST6) in Medical Oncology evaluating high-value cancer care in resource-constrained settings. Approaching completion of higher specialty training, with clinical experience spanning primary care in remote, impoverished communities to national tertiary referral centres. Research and clinical interests focus on real-world decision-making, equitable access to oncology medicines, and health-system strengthening in low and middle-income contexts.

Postgraduate Medical Training and Leadership

Mar 2024–Present Medical Oncology Resident and Chief Resident
Instituto Nacional de Ciencias Médicas y Nutrición Salvador Zubirán Mexico City, Mexico

Directs postgraduate training and resident supervision at a leading national tertiary referral centre. Participates in complex oncologic decision-making and oversees daily service operations. Triage all incoming referrals to maintain timely access, synthesizing clinical, epidemiological, and administrative data to guide strategic planning and resource allocation across medical, pharmacy, and nursing teams.

Mar 2020–Feb 2024 Internal Medicine Resident
Hospital Regional de Alta Especialidad del Bajío León, Guanajuato, Mexico

Delivered frontline inpatient care during the COVID-19 pandemic while completing advanced residency training in internal medicine at a tertiary university hospital.

Education and Certification

Mar 2020–Feb 2024 Specialist Degree in Internal Medicine
Universidad Nacional Autónoma de México Mexico City, Mexico

Specialist in Internal Medicine (Board Certified, National Specialty Council). Dissertation evaluated COVID-19 pandemic disruptions to germ-cell tumour management at a tertiary referral centre.

Aug 2011–Aug 2018 Doctor of Medicine (Médico Cirujano)
Tecnológico de Monterrey Monterrey, Nuevo León, Mexico

Awarded Medical Degree with a merit-based academic scholarship, attaining full national autonomous prescribing rights upon graduation. Clinical training encompassed leading tertiary referral centres, public hospitals, and private institutions, complemented by international clinical exposure through an elective rotation in Spain and sustained leadership in community health outreach.

Clinical and Health-System Experience

Jul 2017–Aug 2018 Physician
Compañeros en Salud / Partners In Health Mexico Capitán Luis A. Vidal, Chiapas, Mexico

Directed a remote mountain primary care unit, personally providing 3,100+ clinical consultations while overseeing all operational management. Spearheaded emergency patient transfers, home care, and minor procedures. Led a multidisciplinary community health team, oversaw monthly epidemiological surveillance, and organized targeted public health campaigns under extreme material constraints.

Research Experience

Sep 2019–Mar 2020 Clinical Research Liaison
Compañeros en Salud – Partners In Health Mexico Capitán Luis A. Vidal, Chiapas, Mexico

Served as local research liaison for a Harvard T.H. Chan study on group medical visits for type 2 diabetes. Led field translation, interview transcription, and data management in a remote rural setting, providing contextual analysis to inform study findings.

Mar 2019–Mar 2020 Research Assistant
Universidad Autónoma del Estado de México Toluca, Estado de México, Mexico

Conducted behavioural assessments in murine models for a postgraduate neurochemistry project using maze-based memory paradigms and supported data analysis and scientific manuscript preparation.

Teaching Experience

- Mar 2020–Feb 2024 Clinical Instructor in Internal Medicine
Universidad de Guanajuato *León, Guanajuato, Mexico*
Mentored undergraduate medical students during hospital rotations, integrating trainees into clinical teams and maintaining high academic standards across clinical placements.
- Aug 2014–Dec 2015 Laboratory Instructor, Tissue Biology
Tecnológico de Monterrey *Monterrey, Nuevo León, Mexico*
Designed histology laboratory curricula and assessment instruments, facilitating the successful delivery of hybrid and digital teaching frameworks.

Additional Professional Experience

- Oct 2015–Jul 2017 Independent Contractor
Figure 1 *Toronto, Canada / Remote*
Translated and culturally adapted clinical content and digital user interfaces for Spanish-speaking healthcare professionals on a global digital health platform.
